

A close-up photograph of two wooden cabinet doors with a vertical grain. Each door features a silver, modern-style handle with a curved, rectangular shape. The handles are mounted on square-shaped backplates. The lighting is soft, highlighting the texture of the wood and the metallic finish of the hardware.

THANK YOU
For Your Sample Purchase.

AMERICAN
Woodmark®

Congratulations!

You've taken an important step in your remodeling journey.

You're on your way to creating the kitchen you've always wanted. While you'll be relying on the designers at The Home Depot for advice, and using their showrooms for inspiration, we want you to know that American Woodmark is also here to help you throughout the remodeling process.

And here's more good news. If you purchased three hardware samples, and decide to buy your cabinets from American Woodmark, we'll reimburse you with a \$12 gift card. Just place your order, fill out the attached form, mail it in, and we'll send you your gift card.

Thanks again for considering American Woodmark. We look forward to helping you create the kitchen of your dreams.
